Bored of 'me too' straight line racers?

Ride in challenging twisty roads, lane split through traffic

Unlimited Money (increases when spent) The description of Cafe Racer Unlimited Money PiguinSoft presents Cafe Racer: Enjoy endless motorcycle racing, unique low poly graphics, insane degree of customization. No timers, no fuel bars, no limits. A realistically portrayed first person experience in a simplified world that lets you focus on what really matters - riding. Ride your motorcycle in one or two way roads, swerve and filter between realistically moving traffic, through cities, country roads and desert environments. All in glorious Low-Poly lack of detail. Pick from a variety of motorcycles, from small 125cc single cylinder bikes to powerful in-line four, with boxer and in-line two cylinder motorcycles there for your choosing. Customize your motorcycle to your heart's content, changing anything from handlebars and mirrors to exhausts and wheels. And when you are done, paint them in the color combination of your liking - you can even paint the frame! - and share their pictures to show your creativity. Fitur MOD Unlimited Money / uang Tak terbatas Download Cafe Racer Mod Apk (Unlimited Money) v9 untuk Android Versi Original Cafe Racer v9.apk (52,5 Mb) MOD Cafe Racer v9_mod.apk (67,3 Mb) Cafe Racer is a racing game developed by PiguinSoft. It boasts unique low poly graphics and insane sound systems for optimum enjoyment. Additionally, the game has no fuel bars and no timers! As such, it will just be about controls and ensuring that you reach neck-breaking speeds while enjoying every moment of the adrenaline-filled encounter. Even better, Cafe Racer is set in a highly realistic environment. You'll, albeit for a moment, forget that this is just a game! If you're ready for unforgettable racing escapades, download Cafe Racer for Android today. Immersive and Nerve-Racking Gameplay Cafe Racer is a simple game that uses a simple first-person gaming concept - control your motorbike with no limitations whatsoever. It is set in a realistic environment that varies depending on the level and your customization choices. The background environment is primarily simple and inspiring. The intention is to let you concentrate on the gameplay. When you begin the game, you will select your motorcycle and customize it to your liking. You'll then start your racing in a simple level to allow you to acclimatize with the environment. However, the gameplay becomes challenging as you continue. The higher the speeds you achieve, the tougher it will be to control your motorcycle. You'll move through two-way roads, through the cities, and other different environments. Here, you must prove your prowess as you swerve left and right to maneuver through city traffic. Diverse Motorcycles Available for Racing In Cafe Racer, you will have a variety of bikes - from small to big ones. You'll have a choice of considering several features that include acceleration, horsepower, and weight among other options. The motorcycles available start from 125cc single-cylinder to more superior in-line fours. It also comes with boxers and in-line two-cylinder motorcycles for your consideration. Diverse Skins/ Environments Every time you play the game, the environment will be different. You can race through mountains, deserts, windy roads, and more. The surroundings are highly realistic. As a result, there is never a dull moment in this game. High-Level Customization Options This game has high customization options that make it worthwhile. You can change the physical features of your bike, change its aesthetics and even upgrade it to suit your preferences. You will certainly own the bike when you use the customizing options in this game. You can change the front and backlights, exhaust pipes, chassis system among other features. You can even put on decals to personalize your motorcycle any way you like. Everything about your ride will be customized including its throttle grip color, nitrous oxide color, and much more! Highly Intuitive Controls Cafe Racer is very easy to play. The controls are not complex at all. You don't have fuel bars you have to monitor or time limits to abide by. All you need is speed and avoiding obstacles along the way! The game has simple touch-based controls that are intuitive enough even for new gamers. As such, if you're a novice looking for a more advanced approach to fast-paced racing. You can tilt, slide, touch, or use a gamepad for controls. The up arrow will come in handy for acceleration while you can use the down arrow to brake and stop. Pressing the middle edges of the screen will enable you to look around and spot obstacles fast. Quick Turns of Winning Cafe Race Game Don't push too hard on your accelerator pedal because it would be very difficult to control the motorbike. Steer left and right carefully as you speed up to avoid hitting obstacles along the way. The brake will come in handy when you need to slow down or stop fast. It is located on either side of the screen. Make smooth turns to avoid impacting obstacles on your way. To earn extra points, you should ride faster! Riding past 100 km/h and overcoming obstacles will earn you bonuses. When you rise to higher difficulty levels, you'll also get better rewards. You can also find alternative routes to avoid obstacles. Cafe Racer MOD APK Free Download Cafe Racer MOD APK 2021 has extra features that will add more thrill to the gameplay. They include: Cafe Racer MOD APK Unlimited Money. This version comes without any limit. You can acquire anything you like!
